

**SESSION 19 – APRIL 9, 2008**  
**Exodus 32 - 34**

**Welcome to Kid's Bible Discovery!**

Today we will read a very sad part of the story of Exodus. While Moses was talking with God, the people of Israel became impatient and broke the first commandment – they made another god to worship. It made God very angry! Let's read Exodus 32 – 34.

**Chapter 32**

Why did the people of Israel make a golden calf?  
What did God want to do to the people who made the calf?  
Who convinced God to change his mind?

**Chapter 33**

Where did God meet with Moses?  
Moses wanted to see God. What did God do so that Moses could see something of God?

**Chapter 34**

What happened to the two tablets of stone on which God had written the 10 commandments?  
How were the tablets replaced?

**Think about this!**

Do we have other gods beside our God? Sometimes we think a god has to be a golden idol, but anything that is most important in your life can become a god. What is most important to you? How could that become a god in your life?

**Special Note:**

**Next Wednesday, April 16, Shari Ames has volunteered to lead class and show an animated children's Bible video of the Golden Calf. Thank you, Shari!**

**April 23** we will work together to build a model Tabernacle.  
See you then! Have a good two weeks!
